June 29, 2021

Good Morning Mustangs,

In the spring of 2021, we offered remote instruction to students who submitted medical documentation that required them to stay home.

Unfortunately, the 87th Legislative Session that recently passed did **not** provide funding for public schools to continue remote instruction.

We wanted to make you aware so that you make the best possible decision for your child(ren) and support their needs during the upcoming school year. If your child(ren) will be attending Natalia ISD in the fall, they will be required to participate in-person.

For families who do not wish to return to in-person instruction, alternatives include:

- Transferring to another district that offers remote learning, or
- Homeschool

Natalia ISD will continue to follow all protocols to reduce the spread of COVID and will also be following Executive Order No. GA-36 from Governor Abbott that states we can't mandate face coverings for students and staff.

Feel free to contact us with any questions.

Thank you for your support.

Sincerely,

Mr. Harry Piles
Superintendent
Natalia ISD
